BIOGRAPHY

Benjamin hails from Warrington in Northwest England. He studied music at St Catherine's College, Oxford, where he was a repetiteur scholar with New Chamber Opera. Thereafter, he studied piano accompaniment at the Royal Academy of Music under Michael Dussek. He was the on-set Music Associate for 'Wicked' Part 1 (2024) and Part 2 (2025), directed by Jon M. Chu; and Disney's 'Snow White (2024)', directed by Marc Webb. He has recently completed work as the Musical Director & Orchestrator for the upcoming Sky series, 'Amadeus'.

Upon graduating, he spent 2013 as the first Associate Musical Director at the Royal Central School of Speech and Drama, supported by the Andrew Lloyd Webber Foundation. In 2014 he was associate MD for Channel 4's acclaimed Our 'Gay Wedding: The Musical', conducting the pre-recording sessions and playing live piano for the ceremony. In 2015 he arranged and musically directed Patrick Doyle's music for 'The Entertainer' (2016) at the Garrick Theatre with Kenneth Branagh, which was live-streamed to cinemas worldwide.

In 2025, he was the musical director for the world premiere productions of 'Alfred Hitchcock Presents' (Theatre Royal Bath) and 'Come Fall In Love' (Manchester Opera House) He has been musical director for UK tours of 'Crazy For You' (2017) and 'Everybody's Talking About Jamie' (2020/21) and was assistant MD on 'Bat Out Of Hell' (2018), where he conducted with Meat Loaf in attendance. He is currently a cover musical director for London stage productions of 'Moulin Rouge' (2021) and 'Back to the Future' (2021). He has also played keyboards on '& Juliet' (2023), 'The Book of Mormon' (2019), 'Jersey Boys' (2016), 'Les Misérables' (2019), 'Funny Girl' (2019), and 'The Bodyguard' (2015/16), among others.

Also known in London for his brilliant sight-reading in a multitude of styles, Benjamin has acted as accompanist for a range of audition processes for films, West End shows, operas, singing competitions, examinations, and college admissions.

As a coach he works with actors hugely diverse in musical background and experience, and has a proven track record in instilling confidence at every stage, from auditioning through to singing/playing on-camera. For film he is a nimble and sympathetic on-set pianist, and an inspiring and engaging amateur of songs for huge ensembles of dancers and supporting artists - many of whom "enjoyed singing for the first time!" after their days on set with him.
