BIOGRAPHY

Wayne Sharpe is a twice Emmy-Nominated composer who has scored several feature films, and documentaries for Netflix, Showtime and HBO.

He has also created bespoke themes for The Olympics, CBS Evening News, 'Face the Nation', 'Miss Universe', 'Yu-Gi-Oh!', 'Miss USA' and fan favorite, the IMAX Countdown (big blue numbers coming at you!).

Wayne also has a rich history as a go-to composer for "Bollywood" with scores for such films as the international award-winning 'Lahore', 'Raajneeti' (including the chartbusting original song, "Dhan Dhan Dharti," featuring vocals by Shankar Mahadevan and Sonu Nigam) and 'Aarakshan' with traditional western sounds and Indian folk elements.
